“ *My Prayers are sent to the family of my Sister, Loretta. She was such a kind person, her smiles, laughs and just being around her always made me comfortable. We spent some good times together over the years. She loved dancing, I remember when the music would come on if she didn't have a partner at home she would dance with the handle on the door at home and do her swings. Over the years we spent together on short trips, we'd laugh and talk and enjoyed being together.*

*I know she lived a good life taking care of her family and she's now resting High on that Mountain in Heaven.*

*Love,
