“ Dear Mary Louise:

*When I heard of your mother's death, I reflected back to my childhood years. Your parents used to walk past our house everyday on their way to visit your grandmother, stopping to talk w/my parents, as they sat on the porch. I remember playing dress up @ Mrs. Williams's house and she will always be remembered for the special treats she made for the neighborhood kids @ Halloween. A few times your mother would babysit me and we would read books on the enclosed back porch of the house on Blue Gill Rd. Those times are long gone and so are our beloved family members. Their memories will live in our hearts forever. May you find comfort @ this time of sorrow and know that others are with you in spirit. Peace*

*FYI: I've been living in Carolina for almost 10 years and work @ The Outer Banks Hospital. My brother, Kenny, and his family live in Augusta, GA. His son, Michael "Grafton", looks just like him! Life is good :*

*With sympathy,*
