“ Louise was a very special lady, and it was a privilege for us to be her friends and next door neighbors on Douglas Ave. in the late '70s and early '80s. As mentioned, she had a very special sparkle in her eyes that came from deep within and reflected her warmth of friendship. We will never forget her.

Respectfully,

Paul and Dennis

“ I will always remember Louise's smile, her kindness, and the twinkle that was always in her eyes. Everyone should be lucky enough to have a Louise in their lives. She and her husband Jack lived next door to my family in Port Norfolk, and they were like grandparents to my brother and me. Her door was always open and she was unfailingly generous with her time and affection. I spent many happy hours sitting with her in her kitchen, talking and laughing. She is deeply missed.##imported-begin##Whitney Hall##imported-end##
