“ Lucille, you were always so kind to me when I'd bring Ed over. Always had a snack at the ready. I always appreciated the soft smile you would have on your face. And, the way you respect my Friend -- your son -- Ed -- and Chris in and out of form. Your Loving-Kindness has touched your world and now it for us to pass it on. I Love You and you have a home in my heart. Safe Journey to your goal.##imported-begin##Dwight Smith##imported-end##
