“ To Lou's family I send you my prayers and let you know I care for the lost of such a delightful caring lady. When I worked in the nursing home I was excited to meet Lou. My Grand mother's stepfather was John A Dill and her mother was Elizabeth E Dill. I never knew her until she came to Churchland House. We became such good friends and because we were related I made every effort to get to know her family. My grandparents were Maude and George William Bailey. We had good conversations and I know she was a caring person and the help she tried to give to others was just outstanding. Wanted to come today but doctors appointments kept me from coming. My father married Carolina Holt Dill. His first marriage. Have met Linda her daughter and are friends of hers. May I take the time to say I am sorry for your loss. God rest her soul. If someone could write me at another time I would love to hear from her family.##imported-begin##Gale Harvell##imported-end##
