“ To Phyllis and Family,

I am so sorry about Mrs. Johnson. I had every intention of coming to the service but my boss is not here and has left me in charge. One can only imagine the state of our Unit with me in charge! Tiffany has told me of so many memories of Mrs. Johnson and the wonderful times she had in her home. She had to be a wonderful person to have such loving children. You know I love you Phyliss and am so sorry for your loss. Susan and York###imported-begin##Susan Poole###imported-end##
