Tribute Wall

“ *To our Momma Lynn,*

You took some many of us under your wing, treated us, loved us, cared for us like we were your own children. For my sad days, you knew the exact words to say to make me smile, laugh and remind me why I am such a strong person. You were my reminder, my constant reminder to let me know LJ is and will be forever in my heart. Now, you have that honor of being there side by side with him. Now, you can love, care and comfort my son, like you did for us all here. It won't be the same without you here, but surely you made an impact on us all. Until we meet again, chicka!

To Dave, Mom Jackie, Marie, Christina and to the rest of your family,

Our love, thoughts and prayers go out to you all. Know, Lynn very much loved you all so deeply. She will be truly missed!

“ I briefly met you but, the love you have for your daughters was apparent. The inclusion you gave me, by hugging me when we first met & informing me to call you "mom", is a testament to the woman I wish I could have known better. I see the same character in my dear friend/partner/Chickie. Your family is in my heart & prayers as well as my families prayers. Love & {{{HUGS}}}.##imported-begin##Christy Burns##imported-end##
