“ Carol and all of the family,

Our hearts are with you even though the miles separate us at this time. We all shared many wonderful times with Mabel and may those sweet memories bring you comfort and ease your hurt in the days ahead. As you recall those special times with her, we pray that they will make you smile and help heal your sad heart.

Mabel was an amazing lady with an array of talents and abilities. She truly had an adventurous spirit and lived life to the fullest. If there is any work to be done in heaven, then we know that Mabel is on the job today. She accomplished much on this earth. Our life was made richer by knowing her all these years and having her for our friend.

Blessings and love to each of you,

Richard and Linda
