“ To all of Mae's family. It was a privilege to have come to know and appreciate Mae. Her straight-forward way of dealing with life and her humor with it was a delight to me. I listened to her in the losses she experienced and the joys she found. She was tender and thoughtful as she shared my losses as well. To Cheryl, you have modeled caring and loyalty and taught me to respect that each must find his or her own way to make life work. Lucky you and lucky Mae.
