“ I will miss you and your sweet smile. We will always have June 14 together. I still remember the vacations we took to see you in Tennessee and Florida. The fun times we had when you came to visit Nana.

Love You

“ I've lost a dear friend. Those who knew her best, have sweet memories of this special lady; and, I do mean lady in the best respect--kind, loving, generous, caring, etc. She was a true friend. I will miss her, but knowing that she is no longer suffering and is in the loving hands of her savior in heaven is all that matters. Love you Maggie.

“ *Maggie was a good friend. A kind and loving person always time to share her thoughts and feelings. She had a canine friend (Gracie) who shared much happiness with her.*

We had many years of history together and I treasure the memories.
