I'll never forget Major and my partner Eddie Cantada when we were Grand Guardian and Assoc Grand Guardian of Job's Daughters and Major was a Past Assoc Grand Guardian. We were at Bethel 16's Installation of Officers and they were seated together kitty corner across the room from me. All of a sudden during a lively song, they started "the wave" which quickly went around the entire room! I could've brained both of them for setting such a bad example during a solemn occasion, but they were so pleased at my expression! They were fun loving. Major and Eddie were Mom Pat Rary's "adopted" sons; Eddie was the good son and I won't say who was the bad one 😂. I'm sure Pat was on Major's welcome home committee 😊. I have so many memories of Pam and Major that I couldn't list them all. He will be missed by so many Job's Daughters people 😞
