“ *It is always hard to find the words to express sorrow for you and your family at the passing of a loved one. Know that our thoughts are with you and we hope you will find some comfort knowing that she is in a better place now and that someday you will all be together again. Try to remember the good times you shared and be glad for all the time you had together. Our prayers are with you and your family in this time of loss. May God bless all of you.*”

“ *John and Chris, May God be with you in this difficult time for we grieve not for the one who is now with Jesus but for our own sense of loss. My prayers are that you will be comforted by the love and support of those closest to you and the boundless love of the Almighty God.*”
