“ So, sorry to hear about "Aunt" Margaret. My thoughts and prayers are with the family.  
I am honored to have been named after such a beautiful, inspiring woman. I have fond memories of playing at her house when the Hulcher family would visit her Ocean View home.  
Love to all,

*Margaret Hulcher Hood*

“ I will always carry Margaret in my heart. She was wonderful to me. Playing bridge with her on Wednesday nights are some of my fondest memories. Margaret was the sharpest person I knew....  
Margaret was like a mother to me, I loved her and grieve my time with her was too short.

“ Remembering back many years ago when I was a child and my family lived in the garage apartment . We used to have some happy times as we were all related and shared so many family stories. Margaret was always the life of our get togethers for many years after my family moved to Portsmouth. I didn't get to see her in later years because of sickness within my family but I cherish memories of her and her wonderful family. May God give you all comfort and peace at this difficult time.
