“*My sincere condolences to Margie's family.*”

I had the pleasure of working with Margie many years ago in Dr. Bauer's office. She was a wonderful, caring person who had great sense of humor. I remember her being so funny and making me laugh many times. . She had that gift.

Margie, may you Rest In Peace in heaven.

You will be missed by all who knew you, but not forgotten.

“ I think I have met Teny only a few times but I feel as she was a part of the family. My brother, Les and his husband, Sid, spoke of Teny often. Teny's sister, Ruby, was always mentioned in the same breathe! These two sisters were a big part of Les and Sid's life. Good friends are hard to find and even harder to give up. I offer prayers for Ruby and all of Teny's family. I hope you can remember the good times. Ruby, what a wonderful sister you are. God bless you.

“ *Best friends are so hard to lose & Teny, you were the best friend to us. We have so many great memories of traveling with you & Ruby. Our first trip was a cruise on the Chesapeake Bay in 2002, but the four of us also went to Nags Head, Washington DC, New York City, Santa Fe NM & y'all even came to visit us in Texas. No one could love your precious boys Ty and Bradley more than you- and your beautiful sister Ruby. We're not far behind you Teny so get ready for us to travel again- all over God's heaven... and Melissa too. We will always, always love you! Les, Sid & our little Frankie* ❤️❤️🐾

I remember that Margie and Ruby were going to Texas to visit you guys when we were on the same plane to go see our son and grandson. They are great people. When we moved to Texas, I still felt so close to Margie. I miss her.

“ *There are so many fond memories of Margie. Her love for crabs & penguins. I would always laugh so hard when I would accidentally come around a corner at work unexpectedly not meaning to scare her. We both would always laugh. She was beautiful inside and out. All who called her friend were blessed to have her in our lives! Rest in peace my friend*

“ *Margie was such a wonderful person. She was so sweet and comforting to her friends. I know Brad and Sweetpea's heart is breaking. I have lost a dear friend but I hope she is at peace with her son, Ty, and out of pain.*
