“ *The Minton family were our neighbors on Moore Rd., we moved to Edgewood Park in 1968 and I believe they were already there, I was the paper boy that delivered the Virginian Pilot to their house and Mrs. Minton was the school bus driver that took me to school, she was also a very close friend of my Mother's in a lot of the church activities, she was so nice and very friendly every time I saw her, I was also very good friends with Nancy and went to school with her. Just wanted to share some memories and prayers to the whole Minton family. Michael Revell*

George and I were sorry to learn of Marie's end of her earthly life. It was such a privilege to experience her presence in my life. Her beauty, inside and outside, and her joyful spirit were inspiration over the years. We were unable to attend celebrations of her life, but please know her family is in my thoughts, in my prayers and in my heart. Blessings, Pauline Degaraff

“ *My prayers are with the Minton family. As a friend of Dave visiting Mrs Minton's Home often, I was always made to feel like a part of her family. She was a guiding light for my life as well as her own family. I am sure that Mrs Minton will be greatly missed.*
