“ Dearest Uncle Snook, Patricia, Randy & Robbie,

*My heart smiles whenever I think of Aunt Marie. In my earliest recollections she presented herself as a grand, deeply loving woman with a Virginia pronunciation that truly delighted my small ears. I recall and will always cherish the times our families spent together when we were children and then later as adults with the fondest of memories.*

*I pray you will find comfort in the knowledge that our God is caring for her now as tenderly and lovingly as she always cared for each of you.*

*With all our love and prayers,*

“ Patricia, Rob and Randy. We are so very sorry to hear of her passing. She has always been so special to me even though we never got to spend much time together. I was always told that I was a lot like her, which I consider one of the highest of compliments. Although it is impossible for Jim and I to be there, please know that we are with you in our hearts and you are in our prayers. We love you and hope to see you sometime in the near future. The world is a better place because she was here. Much love Helen and JimDuncanFields###imported-begin##Helen Fields, Niece###imported-end##
