“ Oh sweet Marie! She was witty, kind, and full of wisdom. I will miss our conversations in-passing and sharing memories of life at the office. She was like an extra grandmother to me. She was clearly the cornerstone who molded such a beautiful and genuine family. I love you Marie.

“ Another Angel just arrived at the pearly gates! We will miss Marie at Green Acres. I will miss my friend and mentor. She showed such kindness to all and truly taught us all how to live and enjoy life. My thoughts are with you, Bill, Brenda and Mary. She loved you all so much. I know she has already signed up to work that jewelry table in heaven. Fondly,

“ I was so sadden to see Marie name in the paper this morning. I haven't seen Marie since her dental office closed. She was so kind to all the girls in the office. She made us laugh and she would bring us flowers out of her yard. She even gave me a beautiful handkerchief that I put in my china cabinet. She never forgot us at Christmas either. I will never forget her. My thoughts are with her family at this sad time.
