“ So sorry to hear this. I just saw Marilou at a Christmas party in the building where we both lived. We had a nice chat and she said she had had problems and had a nurse coming in but her death was a surprise. I enjoyed our chats over the past couple years. I met Marilou through Betty Simon who has been a friend of mine for several years. We three often went out to lunch. My sympathy to all of Marilou's family.###imported-begin##Clara Colwell###imported-end##
