“ My parents Jean and Sugar Parker grew up with Leo and Marilyn. My mom had a Christmas party every year and Leo and Marilyn came. They were so sweet and kind and lots of fun. Some of us even went to see her in Nags head she couldn't believe it what fun we had. She was a beautiful person inside and out. She will be missed. The family is in my thoughts and prayers. “Marilyn and Leo treated me like family as I grew up with their son Tony. They took us on vacations to the Outer Banks and Marilyn would always feed us whenever we were in their home, which was constantly. I will always remember her sweet spirit and her laughter whenever you talked with her. Leo was our baseball coach for years and Marilyn never missed a game. My greatest impression is how much they loved their children and the patience they had when our behavior was less than acceptable. Our thoughts and prayers are with Mike and the family during this time! Marilyn will be greatly missed!

“My dad, Leo and Marilyn were friends and neighbors on Shoreline Drive. They were great friends and neighbors. May Marilyn be remembered for her kindness, and may she rest in eternal peace.
