“ Sending loving thoughts and prayers to the family. Marsha was my 'boss' lady in the allergy dept at Dr. Murden's office for nearly 8 yrs. This came as quite a shock to me. I sat and reflected on memories of her last night as tears rolled down my cheeks. I take comfort in knowing that she is now in the arms of our Lord and that she is no longer suffering. I know she is delighted to be reunited with her son Todd. Bless your heart Marsha..."MARINA" will always remember you . Rest in peace friend
