Mom I always called you my Earth Angel, Now I have to call you my Heaven Angel. You and dad were the patents even, when I was not. You always welcomed me home, or came to my rescue! You raised us up to make sure we knew the true meaning of family! May you always share sunshine down on us, reminding us life is good.

“ My husband, my 2 boys and I LOVED seeing Mary and sitting next to her at St Therese! She was so kind, loving & happy! She kept my boys smiling and happy while at mass, which I will forever be grateful for. Mary lived life exactly as we all hope to live life. Thank you for all of your love Mary! We are sorry to miss the celebration of your life, as we have moved to Hawaii. God Bless your family. We hope time & knowing that sweet Mary is in a happy place will bring her family solace. Love, Kim, Jim, Graham & Rhett OBrien

“ Mary was such a joy to know. You could not help but to fall in love with her. Such a sharing and giving lady. To know Mary was to love Mary. She really enjoyed having you stop by for a short visit. She loved her puzzles and so willing to share them with you. She will truly be missed. Linda and John were a true blessing to her.

As much as Richard and Cindy, providing her home of sunshine. Mom loved life, and touched many lives she did not even realize. How are you doing? Mom really missed her mall group when everyone quit coming. Thanks for Flat Stanley.

“ Grandma loved playing games! I can remember all the laughs we shared over a game of Spoons. I am so happy that both my kids love to play games! Grandma also made the best canned cherries and homemade banana ice cream! Love you Grandma!

Every time I called her she always had friends over playing cards. Or she was working her puzzles. So when I called her I had to see if she had company or if she was just being "puzzled". I still ask her that! 😊

“ *Mary Dion:
She was a very sweet lady that enjoy life with her daugther (Linda).
We were neighbors for five years.
She walk at the Chesapeake Square Mall almost daily early
mornings.
Also enjoy dancing at Western Branch Community Center weekly,
with DJ, Irv & Sassy's Baugham, "Rockin' Too The Oldies".
We all will miss Mary in more ways than one! But she is resting in
peace with her Heavly Father.
May God bless her daugther Linda and son in law John Hackworth
that made her life so much better for her. Her last few years. Turely

*Mom always loved to dance! I loved to watch her and Daddy waltzing.
Or her dancing the Charleston. She was still dancing almost to the end.
I have great pictures of her squatting down doing the Chicken dance.
She sure missed her morning mall friends.*
