“ I worked with Mary at Western Branch and she helped us clean my house for several years plus we all sang together with Dick Barnes Chorale. Mary loved the children at school and always hugged and loved our family every time she came to our home. Surely she is singing now in that heavenly choir and continuing to pass along her sweet smiles and hugs everywhere in heaven. God bless her family and sympathy to each of you. I'm saddened to see that my Aunt Mary passed. I was named after her. I moved to Va Beach with my spouse who is in the military and my late mother mentioned I should look her up she was my late fathers sister. we started exchanging cards and letters a few years back! I would have loved to have spent some time with her. I have fond memories of her from my childhood when she would come home to WV to visit! My deepest sympathies to her family. Mary E Murphy-Walter
