“ Mary was the kindest and sweetest woman I have ever known. I'll never forget when I graduated from nursing school and the administration (purposely or not) did not have my nursing pin but had everyone else's. 💔 We went to Friendly's to have ice cream afterwards and Mary stood up and presented me with a little American flag pin 🇺🇸 she must've had her purse or the truck. I still have it and it's one of my most treasured possessions! ❤️ My family will always remember the wonderful camping adventures our families took together! I know His way is perfect, though we may not always understand. Heartfelt condolences and may the Lord bless you and your family with His grace and peace. I love you all!

Mary was a wonderful person . There are so many memories of camping with the whole family for years. Great days, and the one thing that she always did is make sure my mom was ok. She was the best friend to my mom, and the whole family. She will forever be in our hearts . Love you Mary.
