“ Dear family,
I am so sorry to hear of Mary. She is missed. I have many great memories with her growing up, she was more like a sister to me than a cousin. Aftern all, we DeLaVergnes need to stick together. Many prayers to you all,and hold tight to your memories. She had a smile that always warmed hearts, and a personality to go with it. Love to you all! God Bless!

“ I worked with Mary at NMCP. I am a Registered Dietitian and we often had patients we were both seeing. She was always such a pleasure to talk to and she always took such good care of the patients. I was very fortunate to have known her and the patients were lucky to have her on their "team". Please accept my deepest sympathy at this time. “ I worked with Mary at NMCP. She was one of my first friends at the hospital, helping me out as a new employee. Working with her was a joy. Her patients and co workers all loved her & her easy caring attitude. She is very missed at NMCP. God speed, Mary. Carla##imported-begin##Carla Bright##imported-end##

“ Mary was not only a classmate in our COTA Class, she was a friend to all. Close to our graduation was when she first started her battle. I remember how brave and at peace she was, standing in front of the class to tell us this heart aching news. She told us not to worry... Mary is the picture of grace and beauty. I have never heard her complain. And she loved her family. She always talked about her boys. God bless you Mary. You are an inspiration to all.##imported-begin##Roxanne Wilda##imported-end##
