“ *Mary has been my friend since Life Saving. Always loved seeing that beautiful smile. There is a picture of her at TowneBank on a senior partners trip that every time I walk by I always smile and remember that beautiful lady. Deepest sympathy to family and friends. RIP my good friend.*

“ *Mary was the most giving person . Always generous and caring and always taking care of her friends. We have been friends for over 40 years. Playing golf, cards, and partying. We have vacations together for years. Always meeting in Florida where she and Joe would snowbird each year. We are going to miss your beautiful smile and loving heart. Will see you again my special friend. Love Linda & David Holcombe*
