“ Larry here Lou Corleys son Marie Taylors Grandson never was in touch with the family much since my granny the family link to every one pasted on. But it's certainly always sad to hear some one has past away, especially your own family. I do have childhood memories of visiting great grampa and grandma's house and if I weren't playing in the grapevines I was in haywoods shop. Deeply sorry to hear about the Taylor family's loss of Aunt Maureen. Especially the effect it must have on those that were closest to Aunt Maureen. 209-241-7001###imported-begin##Larry Taylor###imported-end##
