“ I have worked with Moe for a number of years, he was always a positive and friendly person, with a wealth of knowledge and willingness to pass on to everyone who inquired. He will truly be missed in our industry. God Bless his family during this time. Now he is heaven where he can visit (#3 Dale Earnhardt) and talk about past times with family and friends, racing and corvettes! "Moe", you will be missed.

“ Moe was always smiling and such a positive person. Every time I met with him at the shipyard he was just so willing to do whatever needed to be done and always did it with a smile. I am truly going to miss him and the joy he brought to everyone. God bless him and his family at this time.
