“ *My Mike for 25 years we were everything to each other. Lovers and best friends. We always said how lucky we were to have found each other. I'm so happy that we were able to do the things we did like driving across the country 3 times. We were able to see all of the wonders of the US together, just me and you. And we had so much fun doing it. Our kitties cats also miss you terribly. My heart is broken beyond comprehension. I will always love you and only you for the rest of my life. Your loving wife Deb* ❤️
