“ To the family of Mike Modlin:

Mike and I were good friends in junior high and high school. We played many games of basketball back then. Since those days, I had lost touch with Mike. I was shocked and saddened to learn of his death, which occurred 2 days before my mother passed away. May God bring you comfort in this time of great sorrow. Mike, we'll meet again.##imported-begin##Rick Fletcher##imported-end##

“ To Mike's Family
Sue and I would like to express our sincere sympathy to your entire family. I knew Mike in high school and we got together often after we graduated and watched sports and fished together at Nags Head. I will always remember him because we had alot of fun playing video games together at the Barrel and watching sports. Mikes favorite teams were the Boston Celtics, New York Yankees and Oakland Raiders. So very sorry we lost touch. But we will all meet up again someday in heaven. God Bless you all always. “ To the family of Mike Modlin:

I served on the City's Communications Taskforce w/ Mike and grew to appreciate his fairness and his ability to see beyond his own department. He also always had his clients' best interest at heart. I knew he was missed when he retired; he had the ability to touch many lives for the good.

Please accept my condolences.##imported-begin##Sue Burton##imported-end##

“ I also have worked with Michael back in the 80's when it was then called "Portsmouth Community Services Board". He was a very warm hearted and sincere individual. It was indeed a pleasure to have known him. May God bless the family and know that even though we're all sadden of his departure, that there's great joy to know that he's in the hands of "GOD".##imported-begin##Angela Staten##imported-end##

“ May the memories of Mike sustain you and your family in this time of sorrow. May God keep you in His care.

You probably don't know us but we live on the same street as you. While we did not know you personally, my husband, Tedd, knew Mike and went to school with his brother. We would drive by and if Mike was out in the yard he would wave as we went by. We are saddened to learn of his passing and will miss seeing him working in the yard.

With our deepest sympathy,
Tedd and Amy Jones

“ Mike Modlin was one of the truly 'good guys' in the world. He was gentle, kind-hearted and quiet. I met Mike through my childhood neighbor, Cindy Payne and got to know him after Cindy married Mike's brother Danny. In my early 20's I spent many weekends at the local water hole, The Barrel, and watched Mike and Clint Varner play darts and drink draft beer. I eventually rented an apartment from Clint and stayed in touch for many years after my own marriage. I lost touch with Mike, but always remembered him as a real catch for some lucky girl. I was glad to see that he married and had the opportunity to raise a child. I have only fond memories of Mike and still remember him as that tall, gangly, somewhat socially awkward guy who was always nice and friendly. My condolences to his family and all who knew him, as he was truly one of the good guys and will be missed by many. We all want to be remembered in life for the kind of person we were and he was one of the best.

“ *My sincere heartfelt condolences goes out to Catherine, Kevin, Mike's mother, brother, nieces, nephews, goddaughter, and friends. His loss truly affected me, the same as others. I, too, just retired from DBHS. I have worked with Mike during his whole tenure with DBHS and have come to love and respect Mike as if he was my brother. My memories goes back to when Mike played softball with us on the department's softball team. "The Board". He was a great player!! Truly this is a loss for me and it affects me the same as if he was part of my family. He was truly a kind, wonderful and great guy and he made you feel like you had a friend in him. Those that didn't "really know Mike"...respected him and thought he was "so nice". I am so, so sadden to hear of his departure. I know he is in a better place because he was so loved and will be missed by all of his co-workers and friends. We truly LOVED Mike.##imported-begin##Sharon L. Washington##imported-end##*
