

Michael W. Smith

March 14, 2025

Michael W. Smith, from Smithfield, Virginia, at the age of 70, passed away peacefully on March 14, 2025. He was a loving husband (Chris' best friend), super brother, devoted father, cherished grandfather "Pepaw," and dear friend to many.

Michael was born in Portsmouth, Virginia, and lived his life with love, laughter, and kindness. He married Chris in 1982. They had two children, Samantha Jane Loper and Billy D. Smith, whom they raised in the Western Branch area of Chesapeake, Virginia, before they moved to their current home in Smithfield, Virginia. He took enormous pride in the house he built in Smithfield and loved the life there.

Michael has two siblings: his sister, Patricia Faye Smith, and his brother, Joseph "Jody" Smith. However, the joy of his life was his grandchildren - Makayla, Miriam, Elizabeth, Dylan, Allison, Kaleb and Kayla. He made sure his grandchildren knew he "Loved Them BIG," his favorite saying to them all. He loved attending his children's sports activities over the years and then his grandkids, too. He coached sports teams himself but mainly enjoyed his time watching them all play.

While raising his children, he was employed as a Loan Officer with several mortgage companies. He was honored to have the privilege of retiring at the age of 59 from TowneBank Mortgage. He had many, many relationships and friends throughout his life and career in this area - from childhood on.

Michael loved playing golf with his pals, working with plants, and working in his yard, and he did the same until the end. It gave him such pride and joy. We will all miss him and his "advice" for all. He was deeply loved by so many, and his legacy will continue to live on in the hearts of all who knew him.

The family will be having a gathering at Loving Funeral Home in Portsmouth, Virginia, on Saturday, March 22, 2025, from 1 pm to 2:30 pm. We would love to have you come and tell us all about your encounters with this guy over the years. He will be missed.

“ Michael “Jack” was more than a friend. He’s another big brother/father figure in my life. So many good memories and rounds of golf together. Always had an open and willing ear to listen and give advice when asked. Michael went above and beyond with the loan and purchase of my home. Not just doing my loan but even coming to closing which isn’t required but did so to make sure things went smoothly. I could go on and on. I’ll think of you often especially on the course. Love ya, Pal. R.I.P

Well said Brother! I truly enjoyed spending time with you as did I over the years. I can’t wait to chat with you more about all the memories you two created and the stories y’all wrote. I truly appreciate you sharing your life with him and being the best golf buddy! He was pure gold man!

“ I have many fond memories of Mike (Dayglow). Whenever we got together or talked on the phone we wound up laughing a lot. His sense of humor was contagious. We shared many rounds of golf and many bad shots on the course. But we never stopped laughing and cutting up. Those are treasured memories for me. He left us way too early in this life and I will miss him greatly. But one day, I will see him on the other side and I look forward to that. RIP my brother.

Bob, Dad spoke so highly of you and told me the story of how he got the nickname, lol... I can say, I look forward to the additional stories from all of his golf buddies! Thank you for sharing your life with him and being such a great friend! He is gone way too soon but never forgotten!

Michael was a great guy. We spent many hours at the bank talking and laughing. He offered sage advice, I wish I had followed. He is a very happy part of my memories
