“ *Wish I could have seen him and visit him a thousand times before he passed. I wish I wouldn't have waited so long to look him up and find him. My thoughts are with his wife and family now. I hope Linda or Alton Springer would reach out to me as I would like to meet her and my Grandfather ASAP. My name is Jesse Michael Watson and my contact information is below. I hope to hear from someone soon so that I can find out more about my father and where his final resting place is so as I pay my respects and have some final words with the man who I never truly got to know. Thank you.*

“ Michael was my brother in-law, (no, he was my Brother). A finer man you will never meet. God graced our family by sharing Michael with us for twenty years and then called him home. He will live in our hearts forever. The last words Michael spoke to me, " love you Ed". See you on the other side Mike...Ed Townes...

“ I worked at NAVFAC PW Norfolk in the 80s while Mike was employed there. Although I did not know him well, I saw him as a easy-going, soft-spoken and thoughtful person and liked by everyone. I did not know, until one night at a friend's party, that Linda, as he had said was his wife's name, was Linda Caprio and she and I attended the same high school. It is indeed a small world. As I have lost family members, I know what the family must be going through at this time. I will include the family in my prayers.
