“ I am lucky to have had you in my life since I was a child. You were a little bit of wild child growing up, but when Brandon was born you became all about your children. You were on hell of good mother, good wife to Larry, good daughter, and good sister. Love you sis ❤️

“ Michi loved any holiday and always decorated for them and made sure that everyone enjoyed celebrating with her. Most importantly she was so thrilled to be a grandmother- “MiMi” to Bryson Pittelko. Our hearts are broken!! Michi had a beautiful soul and we will miss her beyond words. We, her family, will love and support each other as we grieve our great loss. May God grant us all peace and comfort during this difficult time. We love you sweetheart 💕 Your Dad and Evelyn
