“ To: Wayne, Nancy, Roger and their families.

Even though we know death comes for each of us sooner or later, it's never easy when it takes a family member. Our heartfelt condolences go out to each of you and hope you have a lifetime of memories that will sustain you during this time of sorrow.

I have some fond memories as a child when I'd spend a week or so with your mom and dad on the farm in Wakefield. I can almost see it now, when your dad came in for the day and while your mom was fixing supper, I went with your dad down the road to a pond. There he'd soap up and bathe while I splashed around. That's only one happy memory that I would look forward to during my visits, and being around your folks. They were good, hard-working people and a lot of fun to be around.

God bless you all.

“ To the family of Mildred Birdsong, especially Nancy Greene.

Sarah and I are leaving Friday to take her back to Indiana to be with her family there. While we will not be here for the services, you will be in our thoughts and prayers.

It's never easy to lose a loved-one, especially "a mother" ... Only time and more time will help you through ... our mother has been gone almost 33 years and I still think of her daily.

Deepest sympathy ... I'll see you when I get back home. If there is anything I can do please let me know.
