“ Reese & Family: Ed an I were devastated to hear the news of Millicent passing. She was such a warm wonderful individual. She loved her family and you should take a great deal of pride in that. She often spoke of you all, when she was in our store. If there is anything we can do, please feel free to call on us. We hope Chip, Melinda and Alyssa, as well as their extended families, will take a great deal of pride in the fact their mother touched so many lives in so many positive ways. Ed and I both know from personal experience what a loss you are experiencing at this time. Please be strong and put your trust and faith in God and he will guide you through this ordeal. Please know you are in our thoughts and prayers. We love you! Ed Forlines & Ken Woolard##imported-begin##Ken Woolard##imported-end##
