“ *Georgie was a wonderful nurse and a good friend. We worked together at the Portsmouth Naval Hospital in the early 70s. She was a gracious lady who was kind to all and fun to work with. Her adventurous spirit and optimistic attitude toward life inspired me over the years and continues to do so. She was a treasure.*

“ *I remember visiting her in Portsmouth in the 70s and got to see her when she visited her sister, my grandmother Jennie, here in San Diego. She brought us some beautiful gold bracelets from Saudia Arabia and I still have them here. Georgie and I also shared the same birthday.*
