“ My sympathy goes out to your family for the passing of Mert. My best memories of her was when she chaperoned a bunch of girls from Wilson High School to the Cherry Cottages at Virginia Beach. She was the best and so much fun! Still talk about her to this day. Till we meet again. Vicki Thompson

“ My prayers are with you at this time in the loss of your Mom ! She loved you girls and did appreciate everything you did for her even if it was not apparent all the time . My Aunt Myrt will be missed by my kids as they always joked with her and will be missed my me too . We had a lot of talks over the yard and especially in the fall when the pine straw starting falling and you understand what I mean . She is where it was time to be and she is getting to see her Mom, Dad, Brother and Sisters . Love always !
