“ We give our condolences and prayers to all the family. We will all miss Myrtle but know she is in a better place. I will never forget when I was a young girl riding in the back seat with my sisters while Myrtle was driving the car. I had a turtle with me in the backseat I don't think Myrtle knew I had it and put it on the floor, it crawled up to the front seat by Myrtle's feet, and she screamed. She took it pretty well, because the head of the turtle reminded me of a snake and I could have caused her to wreck. It was funny to me then but I don't think Myrtle, my Mom or Grandmother thought so. It will always be remembered as Myrtle and the turtle incident.##imported-begin##Larremore Family##imported-end##
