“ Nancy, you were a charter member of Aldersgate, and in my heart, you will always be a dear friend in our New Creation Chancel Choir. No matter what was going on, I could depend on you to be there close to me, singing alto and looking so sharp, joyful and beautifully worshipping. I thank God for your life, for your love, for your Clayton, and for your friendship. You lived your life well, and with class. I am a better person for having known you. - Joyce Kennedy.

*Clayton- Please know you and Nancy are in our hearts and prayer. She was a wonderful human being. Such a kind and gracious lady and wow that red hair. Always dependable, never complained or uttered a harsh word. The only person on earth that I ever knew who could still do "short hand" dictation. I know how much you loved each other. You both set a fine example for young men like me. Thank you for sharing her. We love you both*

*We are so sorry to have lost one of our most faithful choir members. Nancy was so sweet and always came in with a smile on her face, looking for her music folder. ready to sing. She loved her choir and we will miss her so much. We know she is in a much better place now and singing with the angels. Clayton, you two were always together. You always saw that she got to church on Sunday and on Wednesday for choir. We will miss seeing you there as well. Our prayers are with you in this time of sorrow. Take care of yourself and keep in touch.  
Love, Nancy and Morris*
