“ *My name is Michel and I have been married to Nancy for 47 wonderful years.  
We have known each other for almost 50 years. To me she is a monumental loss, irreplaceable. She is truly the love of my life forever. I am grieving every single day alone without the kindness of her family. This is tragic . But at the end of the Day I know that Jesus will take care of my needs with . Nancy. Nancy was a true and sincere believer in our Lord Jesus Christ .  
May God bless the Dillon family. As for me, I hurt, grieve every single day and even do not know if I will make it tomorrow but I know that the love of Jesus will pull me through one way or another. Love you my darling Nancy and see you soon.*
