“ Ruth, I was so sorry to learn about your mother's passing. I know how close you were to her and how faithful you have been in helping her live independently over the years. I have many fond memories of your mother from Thomas Jefferson Elementary School where she was a room mother and worked in the cafeteria. I can still see her sweet smile although it has been so many years ago. I would also see her in Portsmouth from time to time long after we were out of school. My sincere sympathy is with you and all your family. Love, Clara##imported-begin##Clara Faw Allen##imported-end##

“ Hi Kathy, I know you don't believe it right now, but it will get better, although I can equally assure you that the pain never really stops altogether. And perhaps that is a good thing. With all that our parents gave us they deserve to be thought about daily. Kathy your Mom and Dad were wonderful "salt-of-the-earth" people who led lives that could be role models for us all. Our sincere condolences to you Terry and the family. Paul and Marcia Gibson##imported-begin##Paul & Marcia Gibson##imported-end##
