“ My condolences to Nelson's family and friend. Nelson was a great brother rat at VMI. During the 4 years we went to school together he always was a good friend and BR. Always laughing and enjoying life no matter how bad things got at school. The VMI class of 1976 certainly lost a great brother rat. My thoughts & prayers go out to his wife and family.##imported-begin##Doug Hines##imported-end##

“ *I would like to offer my deepest sympathy and will remember you all in my prayers. I am one of Nelson's BRs We had many civil engineering classes together. At times like this I wish I was an English major so I would know what to say. All I can say is that with Nelson showing up heaven just got a little bit livelier and us here a bit sadder.
