“ To the family of Mrs. Clark..Your Mom & Dad were my parent's neighbors for many years. They always seemed to have a great time and they were great neighbors. I know they were saddened when your Mom pulled up her roots and moved to Florida. My Mom & Dad were blessed to have such great people living next door to them..My thought and prayers are with you in this time of sorrow.##imported-begin##Billy Phelps##imported-end##

“ Norma was so very special. There truly will never be another like her. I remember the wonderful times at Nags Head and at her home in Portsmouth. Both she & Sonny would always have a beverage ready for you ...complete with Sonny's home made cherry juice. She loved her family with all her heart and everyone who had the opportunity to know her came away so much richer. I do know that both she & Sonny are looking down and smiling. The family now has 2 Guardian Angels to watch over them. She will never be forgotten. There are too many memories of her in our hearts. To one of the best women I have ever known....I do love you so much and am sorry I never had the chance to say good bye. To the family, I wish could take away your grief & sorrow. Norma will always be with you and there will be a huge celebration in Heaven when you see her again. ##imported-begin##Shelby Clark-Fowler##imported-end##

“ To all of Norma's family: My deepest sympathy on the loss of this very special lady. I was fortunate enough to enjoy her company in Nags Head for most all of my childhood thru motherhood and remember how funny, warm, and welcoming she was. We always had a good time in her company. I still envision her sitting on the beach, with her umbrella, just enjoying life. She will be truly missed but will always have a very special place in my heart remembering fun times. Take care, Love Danette##imported-begin##Danette Kaspar##imported-end##
