“ I am so sorry for your family's loss. John, I remember growing up, Mrs. Ferrell would always have Kool-Aid and cookies for us when we played...which was every day:...even when we didn't mind her like we should've...which was often for you, as I recall.: She was always sweet to me, and I will always have fond memories of her. I know your own loving memories of her will help you get through this difficult time.###imported-begin##Linda Bailey Dohey###imported-end##
