

Patricia J. 'PJ' Hamada

May 8, 2021

It is with shock and sadness that we announce the passing of Patricia J. 'PJ' Hamada, 69, loving Mother, Grandmother, Sister and Daughter, passed away on Saturday, May 8, 2021.

PJ, known to her family as Patti, grew up as an Air Force brat and was able to live and travel in many states throughout her life. In her youth she enjoyed horseback riding and playing softball, she was also a wonderful artist and loved cooking. PJ settled in Virginia Beach in the early 80's to raise her children and be close to her family. She retired from her 40+ year career in hotel accounting in 2019 and was enjoying spending time with her family and friends.

PJ will be remembered by those close to her for her kindness, good humor and as someone who was always easy to talk to.

She is survived by her two children, Jack Travers and wife Nicki, and daughter Leila Bradley and husband Evan; five grandchildren, Bryce, Jack, Kamryn, Frank and Braden; her mother Jane Jennings; two sisters, Christina Smith, Teresa Peterson, and brother, Bruce Jennings, III.

A service will be held on Friday, May 14, at 2:00 p.m. at the home of her sister, Christina Smith. In lieu of any flowers, please send donations to the Virginia

Beach SPCA <https://vbspca.com/donate/>, as P.J. is also survived by her four loving cats who need to find new homes and will sorely miss their Mom.

“ I will miss PJ very much. I worked with her at Economos for 7 years. She taught me a lot about the hotel business. She was a super nice person who always had a story, mostly about her cats lol. Rest In Peace Mama! Prayers to the entire family.
