“ I was so sorry to hear about Pat passing away. We have been friends since 1st grade and we graduated together from Cradock in 1954. When we were in grade school after school they taught tap dancing and she and I took lessons and then we had recitals. I have Permanent AFib along with some of the back problems Pat had. Give me a call if you like 757-487-0145. Phyllis Farrar Carruhers.
