“ I had the pleasure of going to high school and graduating with Pat. While we were never in the same activities together we were always good friends. Sometimes you get to know and enjoy someone because of just who they are. How we connected is beyond me, that we connected is no surprise. Pat was fun to be with. He was always happy and always smiling. I can't remember him ever having a bad day and was always ready to lend an ear. Having transferred into Southwood High School my freshman year from Kentucky I knew no one and to have someone like Pat reach out to me was and will be be very special. He was always good that way, not judging just living and enjoying. To this day and at my age I can still see his smiling face. A man who clearly made a difference in my life and who will always be remembered .....

“I am deeply honored and blessed to have have my Uncle Pat in our family. He was a blessing in my life as well as all of us in Indiana. Uncle Pat is such a gentleman and such a precious soul. When he laughed it was automatic that I would laugh with him. His eyes would squint a little and his laugh was the best! He had smiling eyes.

Just a simple text to ask for prayer for someone and you could count on him to be true to his word. I will forever carry him in my heart.

It is a great sadness here. My heart goes out to all of you. I love him. Anyone who met him had to fall in love with him. It is only consoling to know he is embraced in to his Lord's arms & the arms of his brother & sisters and Grandma T & Grandpa T. Too be missed greatly.

My love & prayers to everyone
