“ *What simple words can one say about such a fine man. He was tall, good looking, kind, generous, giving and so many more words exist to describe Paul Radford. He loved his church, his wife, his family, his Lord. This good man will forever live in our hearts. It was an honor to have known him.*

“ *Maggie and Family,
Working with Paul at Lyon Shipyard was a blessing to me. I'll never forget how he helped me through some trying times, especially when I lost my parents. He was not only a co-worker, he was a good friend to me. Maggie, I'm sending you a big hug and will keep you and your family in my prayers. RIP Paul, you are missed by so many.
