“ Polly, I am so sorry to hear about your Mom. I remember her fondly. I know what a loss it is to you. I lost my Mom in November. Nothing can ever replace the bond between a mother and daughter. I hope the coming days will bring comfort in knowing that she free from earthly pain. Love, Linda###imported-begin###Linda Brazie Campbell###imported-end##

“ Dear Polly

*I am so sorry for your loss of your mom. No matter how old we are, our parents are the foundation of our identity. I am so glad you were able to spend quality time with your mom in her final weeks. Your lunchtime visits must have been something that made her day. There is nothing anyone can say to ease your pain--but I feel privileged to put my arm around you while you weep. I loved meeting your mom at your wedding. She was mighty proud of you and her grandchildren and great grands. May we all be so fortunate when we are in our 80s!*

*Love and condolences,*

“ Pauline was my grandmother and a great lady. She was part of the glue along with my grandfather Budd that held our family together. She served God and was very active in our lives. I'll remember our summers in Nags Head the most. She'll truly be missed.##imported-begin##Norma White##imported-end##
