“ I just learned my long time friend has gone to rest I have known Peggy since 1988 when she first started doing my nails. Peggy was a wonderful person and always listening to my problems and given me good advice, Always asking how I was feeling while I knew her back was given her a rough time. Peggy was a precious lady that will never be replaced in my heart. Her sons met everything to her and they were certainly good to her. David and Donny y'all were sons that every mom wish they had. What a great family. We will all miss our sweet Peggy and we will cherish our precious memories.
My thoughts and prayers are with you boys.

“ There are no words to describe Peggy-she was a bundle of laughter, friendships, caring, love-a sense of reasoning-AND always wanted to know how YOU were feeling.

Our hearts are sad and empty-but I can hear Peggy saying-Ok that's enough that's just how it is!!

She will always be missed-her spot will never be filled-but thank goodness for memories.

Her sons, David and Donnie are remarkable. They are caring and loving

I am so blessed for Peggy Groh being a friend and confidant
You can now rest. We will always love you!!

No words can express how much you meant to our Mom. You were a sister she never had, a friendship she cherished and some one she could talk to about anything.

Donny and I are truly grateful for the love shared over the many years. Her memories will continue to fill our hearts.

We love you Bev and Rick.

“ Peg was a wonderful person and I really enjoyed the time I got to spend with her every two weeks for 30+ years. We called it my nail appointment, but it was more a fun time to get together and talk. I am so sorry for your loss David and Donny. I will really miss her wit, caring attitude, and tips on plants. She did so love her garden! Peg, you will be missed!

Debbie,
We feel so blessed that Mom had such wonderful friendships. I believe it was more about the friendships than the nails. We will all miss her dearly!
