“ Dear Pattie, Family and Friends,

I was so saddened to hear of the passing of my friend Pholia. We grew up together in Palmer and he was one of my two best friends during the high school years. I lost contact with Pholia when I joined the Navy after high school. I reconnected with him on several occasions at class reunions and it was always a pleasure to see him and rehash the old times and what fun we had growing up in Palmer. The last time I saw Pholia was at our 50th class reunion in 2011. He was still the same bubbly, joking, fun guy I remembered from life in the past. Even though I didn't stay in contact with him he was in my thoughts. I feel very grateful to have known Pholia and called him my friend. I will certainly miss him and his wonderful playfulness and personality. I will cherish the memories.

I wish you all well as we mourn the loss of our friend and remember the joy he brought to our lives.##imported-begin##Steve Merrick##imported-end##

“ To Pattie and Family,
We were so heart broken to read that Pholia had passed away, and peacefully I am sure. He was the life of every party and gathering of the Miata Club, that's for sure. What a wonderful man and a people person. We will truly miss this wonderful and full of energy kinda guy, that we will NEVER forget him and glad he came into our lives.##imported-begin##Jeff and Carol Clemons##imported-end##

“ Sending love to Pattie and family and the Liebing sisters during this difficult time. Wish we were closer and could be with you today. Our families enjoyed so many good times together in Alaska, netting salmon out at Goose Bay, swimming and picnic's at the lakes in the summers. He had probably the first "Mo-Ped" scooter in our group, bought with his savings from working hauling clinkers from Wright's Drug Store's coal furnace, and was so proud of That bike! Pholia was the Palmer HS class of 1961 "class clown" and had great memories to share at every class reunion. We will miss you, Pholia, you were taken from us much too early.##imported-begin##Anne Jones Brown##imported-end##

“ Patti, it was just a short time ago that we shared a dinner, we laughed, we shared memories and stories and thoughts of the future. We hugged and kissed goodbye, saying see you both later - who knew that we would lose a dear friend, Pholia. Pholia was a kind, talented, gentle man who would go out of his way to help anyone. We felt we could always talk to him and he would listen, not judging you, offering you good sound advice, if you wanted it. Patti, he loved you dearly and he will be missed by all. He touched so many lives. Rest in peace, our dear beloved, friend, Pholia. You will NEVER be forgotten.##imported-begin##Bonnie & Barry Summer##imported-end##
